Having consulted with Mr. Adams,
the Court grants the
request herein. All parties

So Ordered:

UNITED STATES V. GUSTAVO VILA
20 Cr. 00495(VB)

VB
1 USDJ
4/9/2021

Dear Judge Briccetti:

This letter is written on behalf of Mr. Gustavo Vila and respectfully requests that this Court Order Pretrial services to request that Dr. Richard Kessler create a treatment summary and evaluation for Mr. Vila and to disclose the report to probation, the parties and the Court. Since his release on bail, and as a special condition of bail, he has been under the care of Dr. Richard Kessler. Pretrial has informed me that they have received no evaluation, but have received periodic summaries. Certainly, these summaries can be turned over quickly. Respectfully, we request this Court to endorse this letter and direct his treating doctor, whom we understand is Dr. Richard Kessler, at Psychodiagnostic Services to prepare and provide a "treatment summary" for Mr. Gustavo Vila.

Respectfully Submitted,

Susanne Brody
